RE: Old Sinclair Consolidated Oil Corp. Refinery -
TX08923

TX0980795710

Dear Mr. O'Connell:

Enclosed is a copy of the report prepared by Ecology and Environment (E&E) after their investigation of the Old Sinclair Consolidated Oil Corp. Refinery site on February 15, 1983. This report is not the final opinion of the Environmental Protection Agency. This report will be reviewed by our staff to determine whether an environmental hazard exists. If there is no hazard, no further action will be recommended. If there is a problem at the site, we will be contacting you regarding further investigation and/or necessary remedies.

If you have any further questions about this report, please contact Mr. Larry Thomas at (214) 767-9700. Thank you for your cooperation in our investigation of this site.

Sincerely,

Samuel L. Nott, Chief
Enforcement Section
